Palestine securities Exchange approved modifying the name of "Banking Sector" to "Banking & Financial Services Sector". This came in preclusion to the future, where the PSE has recognized 5 major operations sectors such as; banking, insurance and services without identifying a sector that is collective to all financial services. According to this modification, it is now possible to include any potential listed company from financial securities , Real Estate Mortgage and Leasing in the modified sector, in which already includes banks and any other potential banks for listing.
