Palestine Stock Exchange: Last Session's Data

Palestine Exchange

- Palestine Monetary Authority (PMA) launched the new automated clearing system, Perago Clear, representing the second component of the Automated Transfer System (ATS); the first being the Gross Settlement System (RTGS), stated the PMA in a press release. The achievement was made possible through technical cooperation with the World Bank and the Bank of Italy (Banca d'Italia), financial aid from the Arab Monetary Fund and the collaboration with the banking system in Palestine.
